We will be pleased if you come back more. 8 Keys to Building Your Best Relationships - Audible.com Love Sense presents new scientific evidence that tells us that humans are meant to mate for life. Dr. Johnson explains that romantic love is an attachment bond, just like that between mother and child, and shows us how to develop our "love sense" - our ability to develop long-lasting relationships. 8 Keys to Building Your Best Relationships - Audiobooks.com Here veteran therapist and specialist in attachment disorders Daniel A. Hughes demystifies the research for lay people. By summarizing in short "keys" the theory and brain science that underpin our ability to form relationships, he skillfully reveals how we can become better friends, spouses, siblings, and children.

8 Keys to Building Your Best Relationships (Audio Download ... A revolution is under way in how we understand the nature of relationships, how we develop in those relationships, and how our brains function synergistically in connection with others. This field is known as attachment theory, and until now most of the cutting-edge insights have been written in "researcher-speak" and reserved for neurologists, psychologists, and others in the healing professions.
