TAG Heuer - Wikipedia In January 2011 TAG Heuer announced the new Carrera Mikrograph, the first TAG Heuer to use the in-house Mikrograph movement, which is accurate to 1/100 of a second. Additionally, TAG Heuer has also released the limited edition Carrera MP4-12C to commemorate the launch of the McLaren MP4-12C supercar. TAG Heuer has been a partner of the McLaren F1 team for over 26 years. Strays (Dog Tags, #2) by C. Alexander London Dog Tags #2 Strays was a very good book. It taught us about how bad the Vietnam war was. It was about a man named Chuck who was a dog handler for the U.S. army. He owned a dog named Ajax who was a loyal, fun, loving dog. Those two were trouble for bad guys because with Ajax sniffing out traps or enemies and with Chuck guiding him. This book was very sad at some parts of the book even at the end but in a kind of sad happy way. Overall I loved this book and I think anyone can read it.
